

ENGINEERING PROJECTS

WASTEWATER TREATMENT PLANTS

Serving our Clients in
the Water & Wastewater
Industry Since 1926

- Madison Wastewater Treatment Plant**.....Madison, AL
3.0 MGD Upgrade & Improvements
- Eastside Wastewater Treatment Plant**.....Albertville, AL
11.0 MGD Process & Odor Control Improvements
- Village Creek Wastewater Treatment Plant**.....Jefferson County, AL
Energy & Process Optimization
- Valley Creek Wastewater Treatment Plant**.....Jefferson County, AL
Energy & Process Optimization
- Turkey Creek Wastewater Treatment Plant**.....Jefferson County, AL
15.0 MGD Activated Sludge Facility
- Joshua Street Water Pollution Control Plant**.....Albany, GA
28.0 MGD Activated Sludge Facility Improvements
- Moores Creek Wastewater Treatment Plant**.....Charlottesville, VA
15.0 MGD Activated Sludge Facility
- Choccolocco Creek Wastewater Treatment Plant**.....Anniston, AL
10.5 MGD Activated Sludge Facility
- Norman R. Skinner Wastewater Treatment Plant**.....Leeds, AL
7.5 MGD Activated Sludge Tertiary Facility
- LaFayette Wastewater Treatment Plant**.....LaFayette, GA
5.0 MGD Facility Improvements
- Trussville Wastewater Treatment Plant**.....Trussville, AL
4.0 MGD Activated Sludge Facility
- Town Creek Wastewater Treatment Plant**.....Jasper, AL
4.8 MGD Facility Upgrade with Flow Equalization
- Phenix City Wastewater Treatment Plant**.....Phenix City, AL
7.75 MGD Tricking Filter Facility Upgrade
- Prudes Creek Wastewater Treatment Plant**.....Jefferson County, AL
0.9 MGD Activated Sludge Facility
- Union Springs Land Application Facility**.....Union Springs, AL
1.5 MGD Treated Effluent Spray Field
- Warrior Wastewater Treatment Plant**.....Warrior, AL
0.50 MGD Activated Sludge Facility
- Emerson Wastewater Treatment Plant**.....Emerson, GA
0.50 MGD Extended Aeration Activated Sludge Facility
- Piedmont Wastewater Treatment Plant**.....Piedmont, AL
0.50 MGD Lagoon Improvements
- Talladega Main Wastewater Treatment Plant**.....Talladega, AL
4.0 MGD Facility Improvements
- Brent/Centreville Treatment Facility**.....Brent, AL
Lagoon and Nitrification Tower
- Fort McClellan Treatment Plant**.....Anniston, AL
2.2 MGD Peak Flow Improvements
